Rabex 2012

Radiation & Cancer Biology Practice Examination
for Residents in Radiation Oncology

The 2012 annual practice examination in *Radiation and Cancer biology* has been created specifically to help residents in radiation oncology in preparation for their board exams. The exam consists of approximately 200 questions in molecular/ mechanistic radiobiology; cellular radiobiology; tumor radiobiology; normal tissue radiobiology; and radiation risks and protection. All sections are suitable for both therapy and diagnostic residents. Two new sections has been added.

The total allowed exam time is 200 min.

The exam can be used as an aid to self-study, or a group of residents

can take the exam on-line beginning **May 15 2012 up to May 15 2013**. The exam may open up sooner.

Please visit Rabex site at:
<http://www.Rabex.net>

Please save UserName and password to log back in and review the questions & Answers. From the first log in time, you have approximately 1 months period to log back in and review. **Important:** Please click Review Answers to see the Questions & Answers.

Please submit/fax/email your information while processing the payment. You also can sign up directly each individual resident online by creating a user name and password. Advanced Medical Publishing will authorize the participants. The Login User Name and Password will be e-mailed to individual registrant.

The exam will be given only on-line. Please check our Rabex site for *Radiation and Cancer Biology* at:
